

## Thinner, lighter, and field adjustable.

The iconic, premium ALED...reimagined.

### Now with adjustable output.

The new ALEDs are available in four different sizes, each with three field-selectable wattages to let you replace up to 1500W MH.

Size	Wattage Options
X-LARGE	385W, 345W, 300W
LARGE	260W, 220W, 170W
MEDIUM	150W, 90W, 78W
SMALL	80W, 60W, 40W

### A dramatic redesign.

Our ever-popular ALED family of area lights has been engineered to be significantly thinner, lighter, and more sustainable. It uses far less material and is lighter weight, clocking in at 60% the weight of its predecessor and one-third the size!

480V VOLT OPTIONAL  
not available in small

100k-HOUR LED LIFESPAN

DIMMABLE

\*Dark Sky Approved  
in 3000K (Small &  
Medium housings  
only)

10-YEAR  
NO-COMPROMISE  
WARRANTY

RAB's warranty is  
subject to all terms  
and conditions found at

## Light where you need it.

In addition to being offered in distribution Types II, III, IV and V, the ALED is also available with optics maximized for car dealerships, with a wide distribution and an intentional hot spot that helps deliver eye-catching light to the front row of cars in a dealership lot while also minimizing "backspill" towards the street.

## Added versatility.

ALED is available in three different color finishes and three different mounts (pole, slipfitter, or wall mount) to help you achieve a continuous look throughout an entire site.

White Bronze Black

POLE MOUNT

WALL MOUNT

SLIPFITTER MOUNT

TWISTLOCK

WATTSTOPPER

## Save more with sensors.

The ALED is offered with optional motion sensors or a 7-pin receptacle that's perfect for use with RAB's standard twistlock photocell or our smart, Lightcloud Twist.\*

120-277V Twistlock: [RPCT](#)  
480V Twistlock: [RPCT-480](#)  
Lightcloud Twist (120-277V)\*: [LCTWIST/K](#)

Wattstopper (20ft lens): [/WS2](#)  
Wattstopper (40ft lens): [/WS4\\*\\*](#)

\* requires Lightcloud Gateway or Hub  
\*\*only available in Large and XL housings

## Accessories.

Small: [ALEDSHS](#)  
Medium: [ALEDMHS](#)

Eliminate light trespass with a low-profile, unobtrusive shield. All sizes come with attachable/detachable left and right sides.

Large: [ALEDLHS](#)  
Extra Large: [ALEDXLHS](#)

Small/Medium Bronze:  
[ALED-RW ARM](#)

Need to mount the ALED to roadway poles? Our roadway mounting arm is available for Small and Medium models in all three color finishes.

Small/Medium Black:  
[ALED-RW ARM/B](#)

Small/Medium White:  
[ALED-RW ARM/W](#)
