SUMO

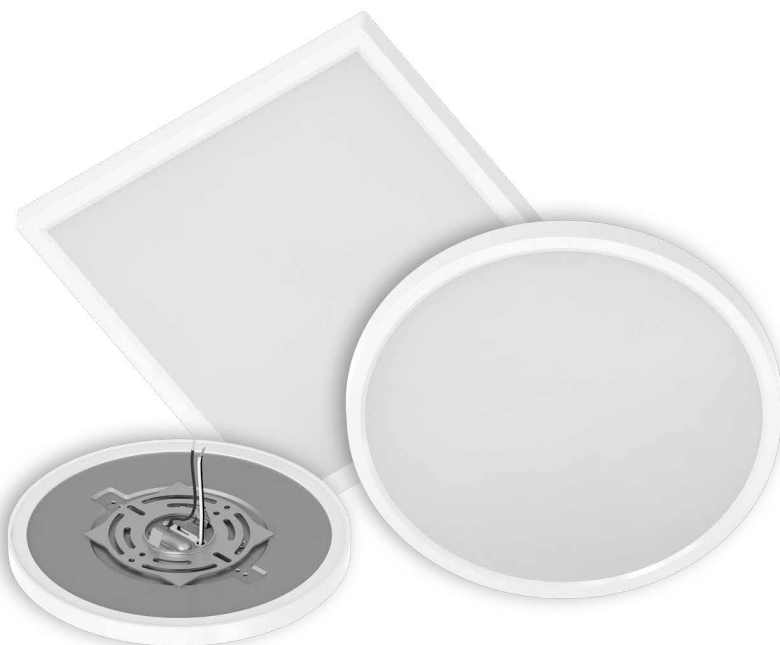

SUMO now with add-on color trims!

Low-profile surface mounts with selectable CCT.

Versatility is key.

The SUMO offers a sleek, low-profile design that adds a modern look to any space. With two shapes, multiple sizes, and adjustable CCT, they're versatile enough for both residential and commercial applications. Easy to install, they are a flexible, affordable, and stylish option for new construction or retrofit into existing junction boxes or recessed housings.

- Sheet metal steel housing with durable plastic trim
- Edge-lit technology and low-glare optics deliver smooth, diffused light
- Driverless design minimizes installation height
- Available in round or square configurations
- Quick-mount aluminum backplate for easy installation
- 5 Selectable color temperatures
- Compliant with NEC Sec. 410.16(A)(1) and 410.16(C)(1) for use in closets

50,000-HOUR LED LIFESPAN
