

Trimless downlights.

Now in new shapes and colors!

RAB[®]

Seamless, contemporary design.

Trimless, recessed lighting eliminates the traditional flange found in downlights to create a seamless aesthetic commonly found in modern/contemporary design. By marrying lighting and architecture, your fixtures become an integral part of the interior's composition, delivering unobtrusive light that seems to shine from the ceiling itself.

50K-HOUR LED LIFESPAN

ENERGY STAR RATED*

*3" and 4" models only.

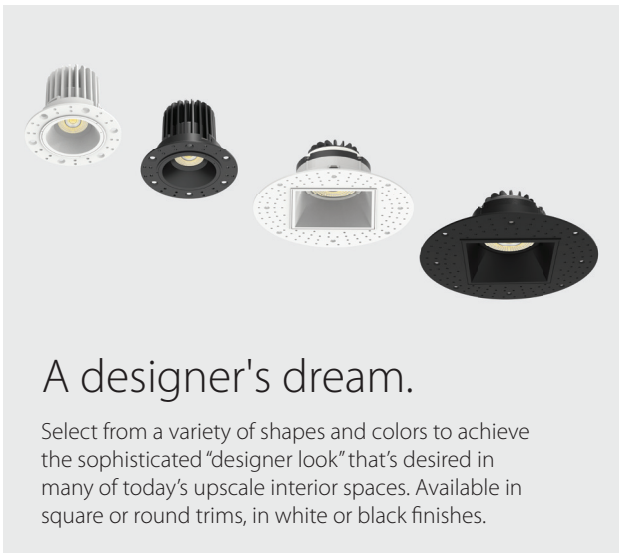

TITLE 24 COMPLIANT

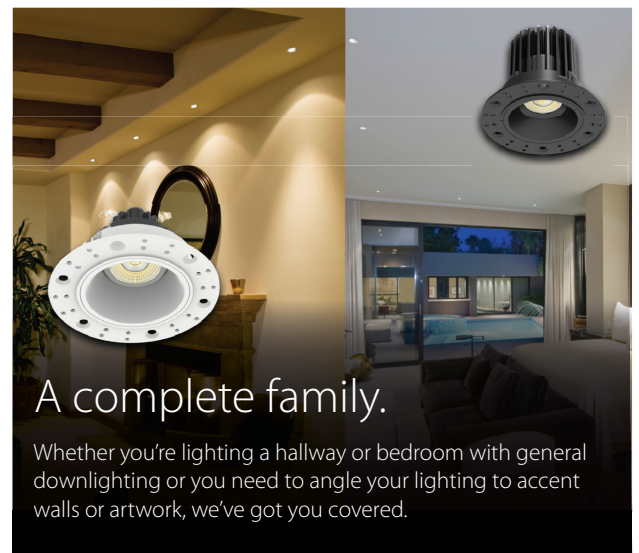

5-YEAR NO COMPROMISE WARRANTY

RAB's Warranty is subject to all terms and conditions found at rablighting.com/warranty

A designer's dream.

Select from a variety of shapes and colors to achieve the sophisticated "designer look" that's desired in many of today's upscale interior spaces. Available in square or round trims, in white or black finishes.

A complete family.

Whether you're lighting a hallway or bedroom with general downlighting or you need to angle your lighting to accent walls or artwork, we've got you covered.

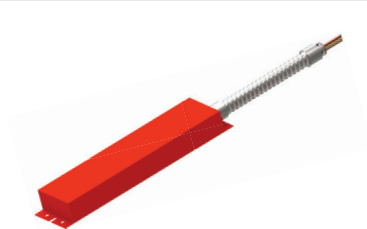

- 2, 3, and 4" Sizes
- Anti-glare lens
- Round or square cone, recessed or gimbal
- 90 CRI
- Field-adjustable CCTs: 2700/3000/3500/4000/5000K
- 120V TRIAC dimming down to 10%
- UL Listed for wet locations
- No housing or can required

Easy access.

Even after spackle is added over the frame, accessing the wire connectors is as simple as a quick twist to separate the fixture from the frame.
