

RAB®

C-SWISH

The future of lighting is sustainable.
C-SWISH center basket.

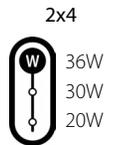

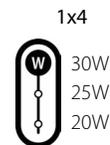

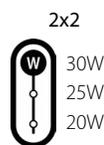

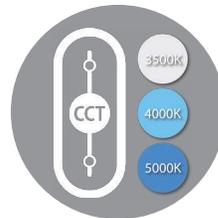

Major strides in sustainability.

The housing of the C-SWISH is composed of sustainable, biocomposite resin that's manufactured with waste seashells and recycled plastic.

Field adjustability means 9 SKUs in 1.

All three sizes of the C-SWISH offer selectable color temperature and wattage.

100,000-HOUR
LED LIFESPAN

DIMMABLE

The C-SWISH 1x4 and 2x4 are DLC Premium listed and the 2x2 is DLC Standard listed.

5-YEAR
NO-COMPROMISE
WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Versatile, everyday use.

The C-SWISH is perfect for use in healthcare facilities, office spaces, and classrooms where lighting preferences vary from space to space.

Easy on the eyes.

Frosted polycarbonate lens with proprietary diffusion design provides a uniform distribution and reduces glare.

Additional Options.

The C-SWISH is available with an optional battery backup, a microwave (MVS) sensor, and factory-ready compatibility with our Lightcloud or Lightcloud Blue control systems.

Lightcloud®
