

RAB®

LF17

The next generation
of landscape floods starts here.
The innovative, versatile LF17 floodlight.

Cutting-edge design. Easy-access adjustment.

Fine tuning your light just got easier than ever... before and after installation!
Say goodbye to those hard-to-reach switches. The LF17 has two handy buttons
that let you quickly toggle through five wattages and five CCTs.

Unbeatable value.

Designed for 120V use, the LF17 is perfect for residential applications but no other landscape light in its price point does what the LF17 can do. It boasts completely unique field adjustability, high-performing optics, and 0-10V dimming all at a price that's not to be believed.

Built to accessorize.

The LF17 family is compatible with RAB's various Mighty Posts and CU4 covers for easy installation throughout a property.

Ordering Matrix

Product Family	Wattage	Mounting	Color Temp	Finish	Voltage
LF17	Blank 8/5/4/2/1W	Blank Knuckle Arm	Blank 2700/3000/3500/4000/5000K CCT Adjustable	Blank W B Bronze White Black	Blank 120V, 0-10V Dimming
