

RAB®

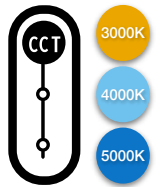

More features in the same ultra-economy package.

Our sleek Slim High Bay lamp is now field adjustable!

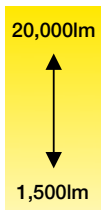

Tunable White

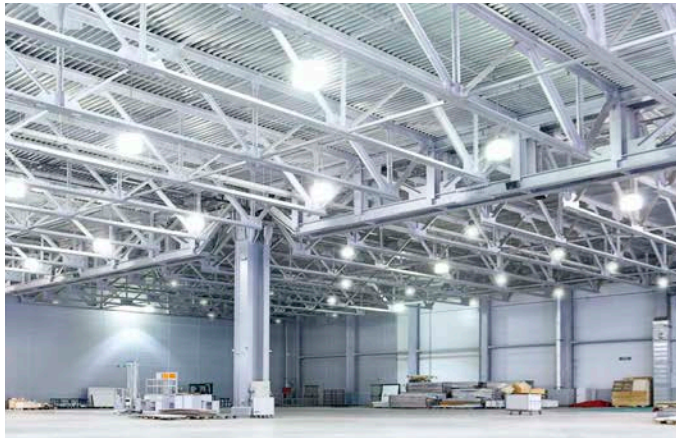

This Slim high bay lamp is field adjustable and allows you to choose from three color temperatures (3000, 4000 and 5000K) with the flick of a switch, giving you the flexibility to customize various areas with one fixture!

Power Selector

Field-adjustable wattage allows you to select any lumen output between 1500 and 20,000 by using the dial on the back of the lamp.

Replace 400W and 600W metal halide or HPS lamps for high bay applications.

These high bay lamps have an integrated heat sink that dissipates heat quickly without the need for an on-board fan.

50,000 HOUR LED LIFESPAN

5-YEAR, NO-COMPROMISE WARRANTY

RAB's warranty is subject to all terms and conditions found at rablighting.com/warranty

Surge protection.

Includes integral 4kV surge protection right onboard the lamp.

Super high output.

Slim HID Highbays offer up to 20,000 lumens for outstanding light in high-ceiling applications.
