

# RAB®

# TOMO

## Elegance that's affordable.

TOMO linear lighting, now with wall mount options.

### A marriage of form and function.

The TOMO was designed to combine the performance of standard wraps with the architectural appeal of high-end linear lighting—all with an affordable price. Available in three lengths, the TOMO provides both field-adjustable wattage and CCT. The sleek TOMO design is ideal for use in schools, offices, or institutions that need a contemporary low-glare look with the added convenience of uplight.

### Things are looking up.

TOMO's "wing" lenses boast a dot-matrix pattern that allows the fixture to deliver 30% uplight, much like a conventional wrap. The edge-lit light provides a contemporary look and emits a soft, even glow that reduces glare.

DLC Listed

100,000 HOUR LED LIFESPAN

0-10V DIMMING DOWN TO 5%

BATTERY BACKUP (4' AND 8' MODELS ONLY)

5-YEAR NO COMPROMISE WARRANTY

RAB's warranty is subject to all terms and conditions found at [rablighting.com/warranty](http://rablighting.com/warranty)

## Lightcloud® Blue enabled.

All models of the TOMO are available with an integrated PIR sensor, a Lightcloud Controller, or a Lightcloud Blue Controller. A battery backup is also available for 4' and 8' models and can be used in combination with the sensor or either Controller.

## We've got connections.

Continuous-run mounting is a breeze with the secure, quick-connect adapter (separate accessory). Just wire the first fixture in the run and connect the rest!

## Mounting options.

The TOMO comes standard with two mounting accessories: aircraft cable for secure, suspended mounts and a stainless bracket for easy mounting to junction boxes.

Stainless Bracket

Suspended Mount

Two 120" cables included

## Wall mounting options.

All three TOMO lengths are now also available as a wall mounted fixture.
